There is a small bill due John F. Hurn, for repairs at the Granite school house, which has not been presented for payment. It was the intention of the School Board to use the unexpended balance for painting at the close of the fall terms of school, but as the weather was not suitable on account of frequent rain storms, it was not expended at that time, but should be used for that purpose in the early spring.

Respectfully submitted :

M. STEVENS,	} School Board of Ossipee.
ALDO M. RUMERY,	
WM. H. LORD,	

We, the Auditors of the Town of Ossipee, for the year ending March 1st 1889, have examined the foregoing accounts of the School Board, and find them correctly footed. We also find upon the files of the School Board proper vouchers for all entries in said accounts.

ALBERT W. LAIGHTON,	} Auditors of Ossipee,
CHARLES A. WHITE.
